Italian for beginners is designed to equip you to deal with the practicalities of visiting this most beautiful country.

The tutor is experienced teacher Pam Smith, who has taught at both City College and for the Adult Education Service. Pam believes strongly that languages are learned most effectively through participation in small group activities and games, in a *stress-free* situation.

The cost will be £120 for the 10 week session and will take place on Thursday evenings. The first term will run from 2nd October – 11th December (no lesson 30th October).

Hethersett High School is located on Queens Road, Hethersett just behind the library. There is ample parking and disabled access to the class room.
