A Vision for Hethersett Community Planning Weekend

2 – 7pm, Friday 19 March
10.30am – 3.30pm, Saturday 20 March 2010

Background

The Greater Norwich Development Partnership (GNDP) have prepared a draft Joint Core Strategy (JCS) indicating that Hethersett could accommodate 1000 homes.

The JCS will soon be agreed by the Councils and sent to the Government for testing. It will then be examined by an independent Inspector later in 2010. Assuming the JCS passes its examination, the Councils will then identify the specific areas of land for development, including at Hethersett.

Hethersett Land Ltd, part of the Ptarmigan Land Group, is working with landowners to explore how the housing strategy, suggested by the Council, can be best delivered in the future. As a result, John Thompson and Partners (JTP) have been appointed to engage residents and stakeholders in the assessment of the issues and opportunities for Hethersett and the surrounding area, including Little Melton, and to develop a Vision for the future. The Vision will help shape Hethersett Land's submission to the JCS process.

Community Planning

Community Planning is a way of engaging with local people to plan the future of their towns and neighbourhoods. The aim of the Community Planning Weekend is to bring together everyone with an interest in Hethersett to produce a shared, practical Vision for its future growth.

The Community Planning Weekend

At the Community Planning Weekend the community will have the chance to participate in topic workshops and hands-on planning groups to explore local and site specific issues and possible solutions. People are welcome to pop in for a short while, a few hours or the entire time if they can. Team members will be on hand to explain what's happening.

Report Back

Following the Community Planning Weekend the design team led by JTP will analyse and summarise the outcomes and develop an illustrated Vision and indicative masterplan. This will be reported back to the community at 7.00pm on Tuesday 23 March at Hethersett High School, Queens Road, Hethersett NR9 3DB.
